

ENDOWED GIVING

AT RANDOLPH-MACON ACADEMY

Inspire the Rise Within - now, and forever.

Making a gift to R-MA's endowment is a wonderful way to make a lasting difference for the entire Yellow Jacket community!

The 80+ scholarships and funds that make up R-MA's endowment are permanently invested (overseen and managed by the Board of Trustees), with a small percentage used each year to support the Academy's programs and goals in perpetuity. Whether you choose to support an existing scholarship or fund or create a new one, your contribution ensures that the values-based education that matters most to you will continue - for current and future generations of R-MA cadets!

As of June 30, 2026, Randolph-Macon Academy's endowment stands at \$11,439,802 and yields approximately \$500,000 in funding annually for tuition scholarships, aviation scholarships, and more.
